

Welcome to Multinational

Wherever your business takes you in today's rapidly expanding world, AIG will be there to help you manage your risks with confidence—keeping your organization safe, compliant, and protected across borders.

Confronted with expanding regulatory regimes and increasingly interconnected economies, global businesses consistently turn to AIG's renowned product range and geographical reach to meet their insurance needs. A world-renowned multinational insurer, we have local market expertise and on-the-ground resources across an expansive network. And with nearly a century of experience behind us, AIG is focused on the future. Our investment in people, processes, and technology means customers today benefit from our multinational expertise and service –delivered seamlessly around the globe like never before.

Learn more about the AIG
Multinational advantage.

Expertise That Knows No Borders

AIG has accumulated in-depth knowledge of local markets and practices over decades. We make it our business to understand not only regulatory realities, capital, and tax concerns—but also your exposures, coverage, and proof of insurance needs, wherever you operate. AIG can provide locally admitted insurance in over 215 countries and jurisdictions through a robust network, so we can build a multinational program that's compliant in all your territories.

Flexible, Far-Reaching Solutions

AIG has the product breadth, ingenuity, and capacity to meet any risk challenge. Our capabilities range from traditional property and casualty to highly specialized offerings. Whether you're looking for higher property limits, unique terms and conditions, or highly structured risk financing, AIG can deliver. We'll consider all of the variables that can impact your decision to insure locally or globally, making certain we customize a multinational program that meets your needs and preferences.

Service Excellence Underpinned by Contract Certainty

At AIG, dedicated service standards drive everything from timely policy issuance and global premium tracking, to optimal cash flow for captives and smooth processing of claim payments. Streamlined, technology-enabled processes make your experience seamless, while robust reporting keeps you abreast of all aspects of your program. This simpler and more consistent execution of multinational business is how AIG delivers contract certainty and governance our clients can rely on around the world.

Foremost Fronting and Captive Services

AIG's captive management and fronting capabilities add extraordinary flexibility to how you can choose to manage your multinational risks. Whether you need to insure a risk not covered by the traditional insurance market, or you want to retain risk, but need to provide evidence of insurance, our captive fronting and rent-a-captive programs can provide a custom fit solution. You can also tap our full range of captive services, including feasibility, structuring, formation, and overall captive management.

Confidence in Claims Handling

When you have a loss, our industry-leading claims organization balances a quick local response with centralized coordination anywhere you need it. Technical claim specialists are located in market and deployed within hours of notice, ensuring we hand-deliver advances after catastrophic events, arrange for immediate medical treatment, or secure emergency evacuations. Claim payments are made in-country and in local currencies worldwide.* What's more, multinational clients can customize their claim handling instructions to ensure consistent protocols across their locations.

*Where permissible and subject to policy language.

AIG is the marketing name for the worldwide property-casualty, life and retirement, and general insurance operations of American International Group, Inc. For additional information, please visit our website at www.aig.com. All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries, and coverage is subject to actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property-casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.
